District Wide Coronavirus Action Plan for Distance/Remote Learning Student / Parent Equipment Use Agreement

Dr. Rene Gutierrez
Superintendent of Schools

Brownsville ISD will provide the opportunity for our students to take home a digital device for learning. Please understand that prior to taking the learning device home, students will be instructed and evaluated on proper use and care. A checkout form is attached outlining the cost if damaged, stolen, or lost. Students must follow the Brownsville ISD Responsible Use Guidelines. These guidelines can be found on [www. bisd.us](http://www.bisd.us).

Student Code of Conduct

1. Electronic files sent, received, viewed or stored anywhere in the computer system are available for review by any authorized Brownsville ISD staff for any purpose.
2. Modifying or changing device settings and /or internal or external configurations without appropriate permission is prohibited.
3. Personal information such as, but not limited to, lastname, home address, phone numbers, email addresses, or birthdates must not be placed on device or shared online.
4. Using obscene, threatening or disrespectful language in any electronic communication tool is prohibited.
5. **Disclaimer.** While BISD uses technology protection measures to limit access to material considered harmful or inappropriate to students, it may not be possible for the District to absolutely prevent such access. Despite our best efforts and beyond the limits of filtering technology, a student may run across some material that is objectionable. Brownsville ISD has a 2-layer approach when students are using the Internet. The device is automatically routed through BROWNVILLE ISD's filter for appropriate content which provides the first layer.

Responsible Use and Care

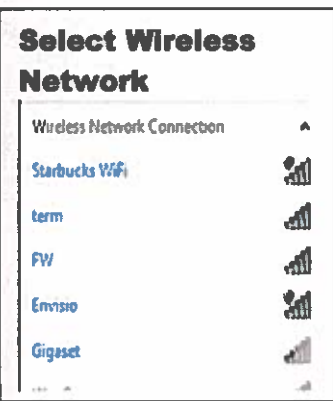

1. The device is to be treated as a valuable object. It should not be thrown, purposely dropped, or abused. It will never be placed on the roof or hood of a car, on the sidewalk or street, or imperiled in any way that may cause it to be crushed or thrown to the ground.
2. The device will never be left unattended on the bus, in the cafeteria, in the gym or any other public place.
3. The device will not be used in or near proximity of water, household chemicals, or other liquids that could damage its electronic components.
4. The device will be protected from the environment to prevent rain, excessive heat, and/or cold.
5. Pencils, pen tips, and other pointed objects will never be used on the screen.
